Summary

Passionate student of computer engineering with a keen interest in risk-aware operational workflows, data analytics, and process optimization. Competent in improving information flow, coordinating teams, and completing precise tasks in hectic settings. A track record of managing stakeholders, streamlining procedures and producing reliable results.

Education

Bachelors in Computer Engineering (2024–Present)

Institute of Engineering - Thapathali Campus, Tribhuvan University

CGPA: 3.72

Relevant Skills

- Process Optimization, Workflow Design, and System-Level Problem Solving
- Data Analysis with Python (Pandas, NumPy, Matplotlib) and exposure to Data Science workflows
- Technical Documentation, Information Management, and Quality Control from lab and project work
- Team Coordination, Leadership in project-based tasks, and Collaboration between hardware–software roles

Relevant Experience

Activity Coordinator, IEEE Thapathali (2025–Present)

Team Size: 28

- Organized and supported the IEEE Xtreme 24-hour coding competition.
- Planned and facilitated technical workshops and student engagement activities.
- Managed event documentation, registration, and promotional efforts.

Event Operations and Coordination

- Co-organized IEEE Xtreme (200+ participants), managing logistics and ensuring smooth 24-hour execution.
- Technical member for the IOE Graduate Conference (150+ participants), supporting setup and session management.
- Handled event documentation, registration, and announcements to maintain organized workflows and boost participation.

Leadership and Additional Activities

- Represented Nepal in IEEE Xtreme 2025, participating in the global 24-hour coding competition.
- Led IEEE club initiatives and team activities, coordinating members and ensuring successful execution of events.
- Organized technical workshops and seminars, fostering student engagement and skill development.

Technical Skills

Python, Pandas, NumPy, Matplotlib, Data Analysis, AWS, SQL, Arduino, Power BI (basics), Git, Tableau (basics)

Languages

English (Fluent), Nepali (Native), Hindi (Fluent), Spanish (Beginner)
